THE CHIEFTAIN

EX LIBRIS

Alma Mater

1842272

As Freshmen here we entered
These halls not yet grown old
And all our hopes here centered,
To the colors Blue and Gold.
In the years that are before us,
May we keep our standard high
While the others pushing onward
Raise the banner to the skies.

As the curtain starts its falling,
And we leave the stage of life,
May we glance back o'er the years,
Through the days of grief and strife.
To the days when we were happy
And our joys were manifold,
As we helped maintain the honor
Of our banner Blue and Gold.

ADMINISTRATION

TO THE CLASS OF 1964:

It comes as a shock that your high school careers are approaching an end. The Class of 1964 has been a fine group of young people. It is a pleasure to realize that you are going to graduate, but I also have a feeling of loss since so many of you have been leaders in such activities as Student Council, Honor Society, Music, Athletics and F.H.A.

I am looking forward confidently to your making a successful plunge into the adult world and carrying out successful and satisfying roles in the years to come.

I will look forward to meeting you in the future, either here at school or in the community, and I hope that I may be of some help to each one of you as you plan your entry into college work or your final career.

Sincerely,

Senior Class

Congratulations to each of you upon your graduation from high school.

Your school days have not been without problems but you have proven to yourselves, your family and your friends that you are competent of worthy accomplishment. It has been a privilege to work with you toward this goal. I have great confidence in your determination to do your best in whatever direction your future leads.

May God bless you in the enjoyment of a full and rewarding life.

Ethel M. Galey

Good things must come to an end, and I must now admit that our relationship for the past four years has been a "good thing". There were times when I thought neither of us would survive it, but we did.

It is with a feeling of sadness that I say "so long". Naturally I wish you every happiness and only success in all your undertakings.

Edward J. Hulihan

Our Class History

In September, 1960, our class assembled in room 13 with our new advisors - Mrs. Poley and our "Chief", Mr. Hulihan.

We began the first year of our high school career under the guidance of President, Peter Stetka; Vice-President, Pat Preis; Secretary, Alexis Dailey; Treasurer, Enid Clark and Student Council Representative, Linda Hazard.

As the first money-making project for our Washington trip, our class held a very successful Roast Beef Dinner.

At the end of our Freshman year, we lost David Harting and Beverly Meckle. Enid Clark also left in order to join the Sophomores at Eldred High School.

As our Sophomore year commenced, the first order of business was electing class officers, who were President, Linda Hazard; Vice President, Alexis Dailey; Secretary, Frances Valenti; Treasurer, Susan Flora and Student Council Representative, Pat Preis.

As Sophomores, we were permitted two fund raising activities. In November of '61, we sponsored a dance-"Bermuda Esprit", with Adrian's band providing the setting for this Caribbean holiday. During intermission, we held a "Man on the Street" program with Lexie Dailey as commentator. She ran into some pretty exciting personalities, including Antony and Cleopatra, and Romeo and Juliet.

The Roast Beef Dinner in our Freshman year had turned out so well, that we decided to hold another one in March, 1962. Again, it proved successful.

At last came our Junior year and we all looked forward to that year's activities. That same fall, we welcomed John Condello, who joined our class from Brooklyn Prep. High School.

Election of officers resulted as follows: President, Linda Hazard; Vice President, Ron DePasquale; Secretary, Pat Preis; Treasurer, Sue Flora and Student Council Representative, Peter Stetka.

Compliments of Charles Dexter

1643272

Our first activity, held in October of '62, was a New England Boiled Dinner, which proved a dismal failure.

The arrival of our class rings in November helped to cheer us up and we were soon busy learning the script to our play, "The Worm Shall Squirm". No one will ever forget the enormous worm that squirmed and wound its way through town, filled with ambitious Juniors. However, this unorthodox advertising could not counteract the snow storm we had on play-night. There was only a small turnout, but the play was well received by those present.

The last of our fund raising activities was the Junior Prom, which was entitled "Somewhere Over The Rainbow". Doreen Prendergast and Ed Hulihan reigned as Queen and King. We danced to Ray Shaara's music while a huge crystal ball refracted beautifully colored light throughout the gymnasium.

We were proud of the six Honor Society members chosen from our class during our Junior year. They were Cathy Brock, Nick Dale, Alexis Dailey, Linda Hazard, Pat Preis, and Fran Valenti.

Our long awaited Senior year began at last with a new classmate, Claire Knapp, who brought our total number to twenty-four. Senior officers were President, Nick Dale; Vice President, Margaret Fulton; Secretary, Edith Schalck; Treasurer, Susan Flora and Student Council Representative, Bob Esselman.

October 15th arrived quickly and our Washington trip commenced at 5:30 a.m. that day. The following four days were filled with tours, fun, and sore feet.

A month after our arrival home, President Kennedy was assassinated. Our minds went back to Washington and we remembered watching his welcoming reception for President Tito on the White House lawn. The impact of his death was increased for us because of our recent visit to his home and surroundings.

The class began diligent work on the yearbook in November - a task which has kept us busy for the major portion of our Senior year. We are grateful to Mr. Burke, our yearbook advisor, for taking us over many hurdles and for helping to make the "Chieftain" a success.

Graduation is next and last in our line of Senior activities. It is with mixed emotions that we leave our Alma Mater, our teachers, and our friends. We would like to take this final opportunity to thank those who have helped make our high school careers a success and who have laid down for us a solid foundation for the future.

Washington Trip

October fifteen,
Hip - hip - hooray!
How we've looked toward
This wonderful day.

At five in the morning
With sleep closed eyes,
We met at the bus,
All present - a surprise!

As the "Chief" and "Ma" Poley
Joined with the group
The twenty-three Seniors
Let out with a whoop.

The baggage was searched,
Both thoroughly and sound,
But look as they would
No "stuff" could be found.

With Bill Bailey at the wheel
Off we did glide,
First stop, Scranton,
For eats and a guide.

The sun began to rise
As we rolled down the pike.
Dave Weiss made with jokes
Over the mike.

In Philly we toured
By the Liberty Bell,
Got hungry, so ate veal
In the Sheraton Hotel.

Davey, our guide,
Was a laugh with his jokes.
Some were so corny
We thought we would choke.

The oohs and the aahs
As the bus driver said,
"Midshipmen and a parade--
Annapolis ahead."

The hotel in Washington
Was a tourist mill.
Five in a room
Take turns if you will.

Ah - then supper,
Our first big meal.
Yes, you guessed it.
The meat, it was veal.

The girls attended a movie.
The boys took a tour.
They saw "other things",
Of that we are sure.

The gang was all ready
All had been fed
Except for McNamee
Who was still in bed.

Printing and Engraving
Was the first stop, I know.
Where else in the world
Would you see so much dough.

Tours and tours
We went on them all,
Supreme Court and Arlington,
The Monastery and the Mall.

The FBI building made us
All stop and think
That we'd better behave,
Or we'd end up in the clink.

Churches we saw,
The Smithsonian, too:
We even took time
To ride through the zoo.

Here's the wax museum,
Ten minutes to look.
Now the Ford Theater
Is next on the book.

1643272

The trip up the Monument
Was really a go.
From the top we saw Mr. Kennedy
Greeting visitor Tito.

The tour at night
Was a vision of lights;
The National Airport
Was one of the sights.

The boys all behaved,
Travelled around stag.
Wouldn't make a date,
And how we did nag.

The chaperones were cheerful,
Growled once in a while.
But with so little sleep,
How could they smile?

Pat, Fran, and Lexie,
They dined on the town.
The rest of us grinned
And forced the food down.

The rooms were so crowded
That when combing your hair,
You'd comb someone else's
If you didn't take care.

We rode around Gettysburg
Quite a good deal.
Had dinner at the Inn--
Yup, it was veal.

The trip back home
Was relaxing and nice.
We slept most of the way
Like quiet little mice.

In all, it was fun--
A wonderful time.
Arrived home broke--
Not even a dime.

At dinner next day
I began relating with zeal,
Until I saw the main course
Guess what - it was v-e-a-l.

Student Council

Each class is represented on the Student Council by its Class President and one other member elected by the class. Grades seven and eight are allowed one representative each. The President of the Student Council is elected by the student body.

The Student Council serves the students, and as the representative of the student body it conducts various activities such as the annual student Red Cross drive, clothing collections, and toy collections. The Student Council also sponsors dances and the refreshment program at basketball games.

A great many improvements have been brought about through the suggestions of the Student Council. The aim of this group is to better the school - their function is to serve the students.
