## “YOU HAVE THE RIGHT TO CRITICIZE

As graduates of 1974 you have had the opportunity to be served by education. It is now your responsibility to service the world in which you live through your ideals and aspirations grooved into valuable goals.

In particular, you have an obligation to encourage innovation and reform, expand possibilities, change situations, widen development, heighten standards, reduce inequities, and demand norms for decent living.

This is not done passively or by giving lip service to the rhetoric of the day. It is accomplished through positive action, pledged endorsement and directed encouragement.

The footprints you are to leave for others to follow are prints of wisdom, vision, significant dignity, devotion, conviction and dedication.

The desperate challenge, the need for good men and women of intelligence and good will exists today perhaps as never before.

I optimistically believe you will rise to that challenge and achieve an accountable performance through constructive action.

## IF YOU HAVE THE HEART TO HELP”

# Footsaball

UPI NARROWSBURG. Narrowsburg has clinched the league football title in its first year of competition. It has been reported that all-league quarterback Roberts has been offered a professional contract. When asked for a statement, Roberts replied, "One game stick out in my mind. I forget what happened but it was good!" Coach John Schatz gave the following rundown of his club: Our center was Jeff Crandall, he wanted to be like Jim Otto and wear "00" on his jersey but could only fit one. The rest of the offensive line was Emmet Fulton, at right guard the deadliest man in the league; Ernie LaBarr the brains of our offensive line at left guard; known for his aggres-

siveness on and off the field Gary Cochran at left tackle; and Bob Weber at the right tackle, "the freckle-faced brute." Personally I would like to commend our defensive line, the Benje "Machine", which was 200+ lbs. of burning energy. In a runaway game, the backfield of Quick Draw DeGraw, Bull Pavese, and "Crazyhand" Laraia rushed for a record breaking total of 373 yards. However, in the wrong direction! Tight end Randy "the Ton" Treverton tiptoed his way through the opposing defense. In the end, place kicker Rick "Pussyfoot" Lander boomed it through the crossbars from 2 yards out to clinch the game 3-0. This victory ends a perfect undefeated season.

United Heads for Hemp.

We have reached our destination.

Dorothy Stockheimer Opening Speaker.

"It is now time to move forward to that higher stage of accomplishment, to put into practice those things which we have learned. We are living in a time when it is important for each person, from the youngest to the oldest, to share his talents and ideas with those around him."

Maureen Dexter, class president, presented the gifts. The first gift was a painting of Lake Huntington, painted by Mary Martin. It is presently mounted in the front hall opposite the cafeteria. The second gift, a magazine rack, is being enjoyed by students and faculty alike, in the library.

Melodye Smith third speaker opened with:  
"Yesterday is but a dream,  
And tomorrow is only a vision:  
But today well-lived,  
Makes every yesterday a dream of happiness,  
And every tomorrow a vision of hope."

Sanskrit

Closed with:

"The noontide is upon us and our half waking has turned to a fuller day, and we must part. If in the twilight memory we should meet once more, we shall speak again together and you shall sing to me a deeper song, And if our hands meet in another dream we shall build another tower in the sky."
