1976 CHIEFTAIN

There are places I'll remember all my life,  
though some have changed, some forever,  
not for better  
Some have gone and some remain.

All these places had their moments  
With lovers and friends I still can recall.  
Though I know I'll never lose affection  
For people and things that went before.

# Dedication

Teach your children well . . .  
And feed them on your dreams  
The one they pick is the one  
You'll know by.  
Don't you ever ask them why  
If they told you, you would cry  
So just look at them and sigh  
and know they love you.  
G. Nash

As our parents, you have experienced great trials as well as great joys. It is now our turn to give back some of the patience, love and responsibility you have shown through our school years — through our entire lives. We now go out to make lives of our own, remembering that what we are is largely based on your teachings and influences, and that what we become is a product of your faith in us. It is with pride, as well as love and gratitude that we say "Thank you".

We wish to express a special note of gratitude to Mr. DeSantis for his dedicated direction of the Photography Club and for his technical advice, without which this yearbook would not have been possible.

### NHS GIRLS BOOT THEIR WAY TO CORNWALL

It was too bad that more parents and friends could not make it to Cornwall-on-the-Hudson, to see our girls' soccer team put in a very fine effort. NHS girls won the right to represent our school in the Section 9 by finishing in second place in the Western Sullivan League with a 4-1-1 record, only to be beaten by Manor who had a 4-0-2 record.

Our girls played a superior team almost to a standstill. A lucky goal in the first quarter was all the Warwick team could muster up for almost four quarters. In the closing 2½ minutes of the fourth quarter, Warwick girls scored what proved to be the icing on their Section 9 win.

I could only feel proud of our girls in how hard they played and how they confronted the superior team and refused to give in. The tears I saw at the end of the game by our girls was that of disappointment, but in this reporter's eyes, was that of pride. Our girls played their hearts out and even though we lost the game they won the hearts and admiration of those who watched them play. One girl stated on the bus, "We'll be back next year."

Congratulations to Mrs. Bliss and her fine group of girls for a job well done.

Mrs. Henke, the band, and the chorus, did their usual fine job in presenting the Christmas program this year. Each grade, 1-7, under the direction of Mrs. Henke, presented a part of the program, consisting of a selection of their choice. The 1st grade sang "Santa Claus Is Coming to Town", the 2nd grade did the "Twelve Days of Christmas", and the 3rd graders were Angels (most unusual). The 4th grade AM gave us a Chanukah song and the 4th grade PM was a Christmas Tree. The 5th grade did the "Little Drummer Boy". The 6th grade acted out a Nativity scene. The 7th grade performed a short, original play about Christmas at Valley Forge. Mrs. Henke is to be congratulated for her efforts in putting on another fine assembly.

Although losing 9 out of 12 games during the 74-75 season, Narrowsburg's boy's baseball team showed signs of promise. With only 2 seniors on the squad, N.H.S. got off to a very slow start, but came on strong in the end, winning 3 of their last 4 games and challenging the top teams. Ron Meyer did the bulk of the pitching, with help from Kelly and Holbert, and did a fine job. Cliff Kelly was also the team's leading hitter with a .459 batting average. With 7 returning starters N.H.S.'s future looks good.
