The boy's varsity basketball team started with probably the most enthusiastic and optimistic attitude in years. We opened with four pre-season games, resulting in a 1-3 record which was not too promising . . . But we did beat Chester. We were sure we'd be at least .500 and make sectionals. Roscoe lost their five starters, Delaware Valley and Jeff-Youngsville seemed weak and we felt that we could beat Eldred. We figured that Livingston Manor and Tri-Valley would be the two toughest teams. It turned out that we played our best versus those two teams. We reached the halfway mark at a disappointing 0-6, although we had three close games versus Livingston Manor, Roscoe and Tri-Valley. Congratulations to Billy, Al, Steve and Richie for finishing their high school basketball careers at Narrowsburg.

Joe up for two.

Never thought I'd feel the final blow.
Like a shot it turned my heart to stone, we were
living in a dream, now it seems so far away.

All of us daydream. All of us yearn for adventure. The siren song of danger and excitement and doing great deeds has called to mankind for centuries. In our dreams all of us have slain a dragon and freed the captive princess. Never stop dreaming . . .

If you find hard times and trouble
on the rocky road ahead
If you find nothing but sorrow
everywhere you lay your head.
No, you won't find me a stranger,
when you really need a friend.
'Cause I want to be there with you,
upon the journey's end.

Living life comes easy if you know
just where you're goin'
You've got to see yourself in
others eyes, surprise!

Living like I want to don't come
easy but I'm trying
Sorting out what's true and
what's all lies, it's wise.

These are the seasons of emotion
And like the wind, they rise and fall
These are the wonders of devotion
I see the torch we must all hold
This is the mystery of the quotient:
Upon us all, a little rain must fall.

“Life’s Road”

We learn so many lessons as each day goes by—
There are songs to sing and a few tears to cry
There are blessings to count, happy memories, too
And sometimes disappointment in things we do.
There are cups that run over and years that are lean
With bright days and dark days and long nights
between
But one choice we can make as we carry life’s load—
If we look toward the sun
How it brightens the road!

The world is not perfect
So why is it said
"We must strive for excellence"
Can't we just accept who we are?

I had little time
to think, to search, to find something
to leave behind me to do justice . . .
To find words that would express
all of my emotions as I left
the place and the people behind
That forever, it seemed, I had known and loved
And who were now becoming part of my past.

Classes

Dedication

Back in September the 1992 Chieftain staff said they wanted to focus on the theme of “change” for this yearbook. Senior staff members said they especially wanted to include the school’s younger students — who not only remind them of their years here at the school but symbolize the future of Narrowsburg. Perhaps no image better represents this theme than this photo taken at the end of last year. Pictured are senior Al Smith and second grader Brian Hockenberry, just two of the many students that participated in an outdoor carnival that involved the entire school, as well as volunteers from the community. In recognition of all the changes they have gone through the 1992 Chieftain staff would like to dedicate this yearbook to the parents, teachers and friends who have helped them throughout the years. Thank you!
